IET is one of the next generation energy therapy systems that gets the "issues out of your tissues" for good, in the tradition of Caroline Myss' book, *Energy Anatomy*. IET classes are powerful days of self-healing and energy therapy certification training. In each class, you will be attuned to an angelic energy ray that activates your 12-strand Spiritual DNA. You will then learn how to *heartlink* to the energy of your angels and use their energy for healing. You will also learn how each primary human emotion is correlated to a specific physical region of the body, as well as how to use the IET integration power points to clear them. A fully illustrated training guide and certificate are provided with each class.

No prior energy therapy experience is needed. You can be an energy intuitive, and through these IET classes, you will be taught how to *feel* and *interpret* energy flow, and *clear* energy patterns in yourself and others. For more experienced students, IET is the perfect complement to other holistic practices such as other energy healing systems, massage, and acupuncture. Following is a description of each class:

**The Basic class includes:**

- ▶ Attunement to the Basic energy ray that activates the 1st and 2nd DNA pairs
- ▶ How to energize and integrate cellular memory blocks
- ▶ Locating and energizing the energy integration power points using the IET Cellular Memory Map
- ▶ Giving facilitated, absentee and self-treatments
- ▶ And more!

**The Intermediate class includes:**

- ▶ Attunement to the Intermediate energy ray that activates the 3rd and 4th DNA pairs
- ▶ How to pull energy imprints out of the human energy field
- ▶ Learning to clear energy imprints resulting from past life karma
- ▶ Methods to identify and interpret the blockages in the human energy field
- ▶ And more!

**The Advanced class includes:**

- ▶ Attunement to the Advanced energy ray which unlocks the 5th DNA pair and activates the energy of your soul's purpose
- ▶ Ability to do a "Soul Star" clearing to activate your soul's purpose
- ▶ Use of an energy wave technique to clear resistance
- ▶ Build heartbeams to anchor angelic energy into the Earth
- ▶ And more!
